

Dispatcher Fleet (m/f/d)

Stellenbeschreibung

Want to make your own contribution to sustainability and climate protection in a job with development potential? Then the circular economy is the right place for you!

In our innovative and family-run Büchl group of companies we offer you new career opportunities in a competent team.

Qualifikationen / Anforderungen

- Completed training with professional experience in scheduling or logistics (ideally in the circular economy)
- Experience in personnel management and willingness to take on responsibility
- You work independently, reliably, are a team player and have a talent for organization
- Experience as a truck driver, deliverer, etc. or other experience in the recycling industry is advantageous
- Good IT skills (MS Office, Internet applications, Navision)
- They want to develop, keep learning, seize new opportunities and attach great importance to sustainability, climate protection and digitalization

Zuständigkeiten / Hauptaufgaben

- Organization and scheduling of our truck fleet incl. Personnel and vehicle deployment planning
- Fully digital and modern order scheduling; use of our software and apps on 32-inch screens
- Route planning and optimization; performance and document control
- Introduction and support of climate-friendly components and sustainability requirements in the circular economy fleet (e.g. introduction of climate-friendly fuels, support of the Büchl e-truck test phase in practice, etc.)

Leistungen der Anstellung

- An open-ended employment contract in an industry with a secure future
- Familiar working atmosphere and cooperation at eye level
- A motivated team and a well-founded, collegial induction program
- Further training and support for your personal development
