

Forklift driver (m/f/d)

Stellenbeschreibung

Are you looking for a varied role with development potential in a sustainable and systemically relevant industry? Then the circular economy is the right place for you!

In our innovative and family-run Büchl Group, we offer you new career opportunities in a competent team.

Qualifikationen / Anforderungen

- Extremely independent and reliable way of working
- High sense of responsibility
- Good communication skills, business fluent in German
- Knowledge of handling hazardous waste would be desirable
- Professional experience in internal logistics would be desirable
- Forklift license (if necessary, this can also be acquired) and driving license class B

Zuständigkeiten / Hauptaufgaben

- As a forklift driver (m/f/d) you will be deployed as part of a customer order for internal logistics at the recycling center on our customer's premises
- This involves handling waste fractions delivered in containers, storing/removing them and, if necessary, packing them for further disposal
- In addition to operational activities, you will carry out checks and document the work carried out
