

Apprenticeship construction mechanic (m/f/d)

Stellenbeschreibung

Recycling. Environmental protection. Sustainability.

Our ideas. Your future.

We provide training.

BÜCHL. AN IDEA AHEAD

Büchl is a high-performance, medium-sized group of companies that is now in its third generation of family management. At its sites in Ingolstadt, Stammham, Neuburg/Danube, Großmehring and Győr (Hungary), it develops future-proof solutions for a sustainable circular economy and uses these in the professional disposal and recycling of waste.

We collect, sort and recycle waste in our own facilities and supply sustainable raw materials and energy.
